

FINANCIAL EXPERTS IN ACTION

ValueTrust advises corporate management and investors in takeovers, mergers, acquisitions and restructurings in issues involving valuation, value protection and value enhancement as well as in subsequent disputes. ValueTrust offers its clients solution oriented advice and combines strict client focus and independence with the highest demands for quality. The approach of ValueTrust is based on many years of project experience and the technical knowledge of our employees, a trustful cooperation with our clients as well as support from industry-experienced senior advisors and renowned academics.

ValueTrust is represented at four locations in Germany, Austria and Switzerland. To support our growing team in Munich, we are looking for

Associates (m/f/diverse)

Your responsibilities

You will work with our experienced employees in interesting projects on issues related to corporate acquisitions, restructurings, litigation and strategic corporate finance advice.

Your work will include, for example:

- Analysis of capital markets and industries as well as comparable companies and transactions
- Analysis of business plans and financial modeling
- Valuation of enterprises using multiples
- Determination of the appropriate cost of capital
- Preparation of valuation models in MS Excel and derivation of enterprise values as well as values for equity and debt instruments using different income-based valuation methods
- Preparation of presentations as well as reports
- Support in project management and business development
- Support in marketing operations

Your qualifications

You have graduated from university with a degree in business administration or a similar major with excellent results. You ideally have up to 3 years of relevant professional experience in the field of corporate finance advisory, audit/accounting, insolvency administration or investment banking with knowledge in the fields of enterprise valuation, accounting and controlling, financial analysis, business planning as well as basic knowledge of commercial and corporate law. You are fluent in German and English, and proficient in MS Office applications. In addition, you should be able to demonstrate excellent analytical and conceptual abilities and be comfortable working in a team with dedication and entrepreneurial thinking.

Our offer

- a modern working environment within an ambitious team
- flat hierarchies and short lines of communication
- opportunity of autonomous co-creation and ongoing learning
- internal and external trainings
- centrally located office at Odeonsplatz with connections to the underground lines

Do you like to work in a challenging environment and to take on responsibility? Please contact Florian Starck and send your application by email or mail to:
